

MAINTENANCE CREW MEMBER (Seasonal)

Job Description: The Maintenance Crew Member is a seasonal position working as a member of a 2–3-person crew maintaining the properties of residential and commercial customers. The Maintenance Crew Member is an entry level position for those looking to gain experience performing all aspects of lawn and garden maintenance, including mowing, planting, weeding, edging, pruning, deadheading, watering, and mulching. This position reports to the Crew Leader.

Job Responsibilities: The Maintenance Crew Member is part of a crew working on high-end residential and commercial properties.

- Crew Members will be responsible for the execution of landscape maintenance work including mowing, trimming, pruning, weeding, caring for seasonal rotations and other landscape maintenance tasks as needed.
- Crew members perform all work safely, on quality and on budget.
- This position requires an understanding of the safe operation of equipment.
- Completing other tasks and special projects, as assigned.

Requirements: The ideal candidate will be self-motivated, organized, and eager to take on responsibility and grow with Professional Landscape Services, Inc. In addition, he or she will possess:

- 1-3 years' experience in landscape/hardscape installation.
- Must be hard working, reliable, able to work well with others, and follow directions.
- Must be able to lift 75 pounds and perform physical field work.
- Open availability including long days, evenings, and weekends during peak seasons.
- Authorized to work in the US.
- Pass a drug and background check.
- Experience safely operating landscape machinery.
- Strong desire to learn and develop more skills and grow within the company.

Compensation Package:

- Hourly Wage commensurate with experience.
- Paid company holidays.
- 401k retirement plan with employer match.
